

**Final instructions Open Ladies Singles.**

Due to the amount of entrants for the Open Singles and the problems experienced by the Clubs in obtaining markers the following will apply to the round Robin games.

There are 3 players per section.

Round 1. Player a) vs player b) player c) marker.

Round 2. Player a) vs player c) player b) marker

Round 3. Player b) vs player c) player a) marker.

**Please note:** If a player withdraws after the publication of the draw the onus is on such a player to find a substitute to play in his / her place.  
Failing to find a substitute player would upset the draw, causing the particular section to play one game only.
